

Wine Club Gomer's – Lee's Summit

How it works: On the 1st of each month, the Club Member's credit or debit card will be charged for wine hand selected by our store. Anytime during that month, you can pick up your bottle of wine and your receipt. If you are unable to pick-up your wine, we will hold it in reserve for you. Just come by at your convenience.

Membership costs nothing, you can cancel anytime during the month to be effective the beginning of the next month and every wine is 100% guaranteed.

Please enroll me in your wine club. I authorize a monthly charge to my credit / debit card according to my membership level(s).

Level 1 – This club member will receive 1 bottle of red or white wine every month for a total of either \$15 or \$30 including tax. The retail value of the wines will not be less than the level selected \$15.00 \$30.00

Level 2 – This club member will receive 2 bottles of red or white wine every month for a total of \$30 including tax. The combined retail value of the wines will not be less than \$30.00

Level 3 – This club member will receive 1 very special bottle of red wine (white option is not available at this time) with a retail value between \$50.00 and \$75.00. Your credit card will be charged for the value of the wine, so the charges will vary.

Level 4 – This club member will receive 1 case of previously selected wines, either all red, all white or mixed case with a retail value of not less than \$100.00. Your credit/debit card will be charged for \$100.00.
